REFERENCE : TM-1113-8, 2 June 1958 (TCB-3287-58)

1. There is no objection to authorizing USAFE to dispatch sanitized HAFIC reports on the Middle East directly from USAFE to certain Army agencies in Europe provided the conditions indicated below are met. These same conditions would apply insofar as USAFE should have a similar request from the Army.

2. The conditions for transmittal are as follows:

a. The report should begin as follows:

"The following information is reliable as of (date) . It is classified TOP SECRET NOFORN and may be disseminated in its present form only to those who have a critical need in keeping with authorized functions."

b. Transmission will be over SMO channels TOP SECRET NOFORN into TALENT centers of the following Army agencies:

- 1) AFSE, Naples.
- 2) ALPHE, Turkey.
- 3) SHAPE, Paris.
- 4) HUGH, Paris.
- 5) SHARP, Verona, Italy.
- 6) UNARMED, Heidelberg.

By copy of this memorandum, the Army is requested to inform UNARMED and thereupon the agencies listed the true source so that upon receipt of the sanitized TOP SECRET NOFORN message TALENT-cleared authorities may be able to judge reliability.
